

Armley Park Primary School

29 April 2024

Dear parents and carers,

It is great to see some sunshine this morning! The weather forecast shows that we should have some good weather for the rest of the week which will make a big difference from all the rain we have had recently.

Uniform

Lots of children wear the correct uniform to school each day and this is fantastic to see. We have noticed that there are some leggings sneaking back into school and these are not part of our expected uniform. Children should also have a PE kit in school which is a white t-shirt and dark shorts or jogging bottoms. Here is a reminder of the expected uniform...

We regularly have a large number of jumpers and cardigans left in the cloakrooms. Staff try to return these to children but it is difficult if they do not have their name inside. If you are missing any jumpers or cardigans, please come and speak to the office and we can look through

After School Clubs

Thank you for signing up for clubs this term, these are starting next week. Mrs Lindley will be sending out texts to let you know if you have a place so please don't presume your child can stay after school until you have received a message to confirm your place. The clubs will be running from next week until Friday 5th July so they will continue after the half-term break and you won't need to request another place.

Remember – all term-time holidays will be unauthorised and you will receive a fine from Leeds City Council.

Ofsted

Last week, we had an inspection from Ofsted. We can't share the result of the inspection with you until the report has been published but we received some really positive feedback about our school and especially about how well the children behave and their attitudes to learning. Thank you for your support if you completed the questionnaire or spoke to either of the inspectors in the playground.

Focus Week

During the last week of this half term, we will be having another Focus Week – this time it will be all about adventures and explorers. Some classes will be having trips out of school so please look out for any emails or letters with permissions slips to complete. Children in Y3, Y4, Y5 and Y6 will be going on trips where we will be asking for £5 towards the costs – this will help towards the transport or the entrance fees for their activities. Miss Wright is just finalising the details and will send information home later this week.

As always, if you have any questions, please let me know.
