

# Build it!

## Books we will be sharing:

## By the end of this topic, Reception children will be able to:

- Talk about where they live in greater detail.
- Create their own maps.
- Explore the local area, looking at buildings.
- Look at special buildings in the local area.

## Key vocabulary:

Buildings / house / home / windows / door / roof / chimney / brick / stone / glass / strong / see-through / past / present / Armley / route / map

## In Literacy we will be:

- Continuing Level 2 sounds in Phonics.
- Applying our Phonics sounds into our independent reading and writing.
- Drawing maps of the local area/linked to stories.
- Writing sentences with increasing confidence.
- Reading words and sentences with increasing confidence.

## In Maths we will be:

- Learning about length, time and height.
- Learning about 9 and 10
- Continuing to consolidate all previous learning so far!

Our class email address is:

[reception@armleypark.owlcotesmat.org](mailto:reception@armleypark.owlcotesmat.org)

## How you can support learning at home:

- Talk about your route to school – what do you go past? What can you see? What are buildings made from? Talk about the local area.
