

Armley Park Primary School

18 May 2026

Dear parents and carers,

This week, is Adventure Week and the classes are enjoying learning about their chosen adventurers and many children are going on trips.

Reception had a great time on Friday at William's Den and Year 1 are at Mission Out today.

Tomorrow, Year 2 are going caving, Year 3 are going canoeing on Wednesday, Year 4 are going climbing and Year 5 are going to Malham Cove on Thursday and then on Friday, Year 6 are completing a mini triathlon!

Children have been sent letters about what they need to bring on each day for their trips but if you are not sure, please call the office and we will help.

We will try to add photographs from each trip to our Instagram account (@armleyparkprimary) throughout the week.

Recipe Station:

Starting on Monday 8th June, an organisation called Barca will be visiting the school and setting up a Recipe Station in the playground. **From 3pm each Monday, you can visit the stall and take away a bag of ingredients, with a recipe card, to make a nutritious meal.** This is a free service but they may run out quickly. If you would like to know more about this service, please see Mrs Cliff.

Next half-term:

When we return to school on the 2nd June, it will be our final half-term of this academic year. This is always a really busy half-term with lots of things happening for the children such as trips and transition to their new classes. To make sure they do not miss out on anything, please make sure they come to school every day in the lead up to the summer break.

When we come back to school in June, we will share all the important dates with you.

Online Safety:

We have attached a copy of our Online Safety newsletter for June. We would recommend you take some time to read this to ensure that you can help to keep your children safe online.

If you ever have any concerns around how to keep your child safe online, please come and speak to the staff in school who will be able to help.

Next week is our half-term break. We finish at 3.15 on Friday 22nd May and the children return on Tuesday 2nd June at 8.40. Monday 1st June is a training day so there won't be any children in school.

Thank you

Emily Caine (Headteacher)
