

14 July 2026

Dear parents and carers,

This will be our final newsletter of the year as we break up for the summer on Friday. Although there are only a few days left of the term, there is a lot happening!

Today, members of Brownlee House will be visiting the park to have a treat as they earned the most house points this year. Well done to everyone for earning lots of points throughout the year, it was a very close competition!

Reports

Last week, the children brought home their End of Year Reports. I hope you found these reports useful. It will help us to make school even better if you would complete the Evaluation Forms and return those before the end of the week. We are always wanting to make our school even better, so please do share your feedback to help us to further improve.

Transition Day

On Thursday, the children will be spending time in their new classrooms. They will start their day in their current classroom and after a brief assembly, they will all move to their new classes. At the end of the day, we will all come back together for another assembly and then the children will go home from their current classrooms.

Staffing News

At the end of this week, we will be saying goodbye to some of our staff. Mr Dinning, who has been teaching in Year 6 since January, will be leaving us to start a new job at Hovingham Primary School. Mrs Earl, who has been working in Year 1 this year, is going to work at Five Lanes Primary School. I'm sure you will join me in thanking them for their hard work during their time at Armley Park Primary School and wish them all the best for the future.

We have some new members of support staff joining our team after the holidays so you may see some new faces around the school in September.
